ID-CONTINENTAL NURSER

FAIRBURY, NEBRASK, U.S. Department of Agriculture

HIS season has been a favorable one for all kinds of Nursery Stock, and especially Forest Tree Seedlings: our stock of these is very heavy, being something over ten million trees; of Box Elder alone we have about 3,500,000 that will grade five to fifteen inches this fall.

Our Black Walnut is unexceptionally fine, being at this writing (July 21st) about eighteen inches high, and will make at least twentyfour to thirty-inch trees by fall; note the very low prices at which we

As to shipping facilities we can send trees by express or freight in almost any direction. At Fairbury we ship over three lines of the C., K. & N. R. R. (Rock Island Route), the St. Joe & Grand Island, which connects with the Union Pacific Railroad at Grand Island, Neb.; and over the K. C. &. O.; at Kesterson, Neb. (two miles distant from Fairbury) over the B, & M. R. R. We ship by Pacific, United States and Wells-Fargo Express Companies.

It is our wish to furnish varieties just as ordered, but in case we should be out of any variety we reserve the right of substituting some variety similar in habits, quality, etc, unless expressly ordered to the Early orders will insure first-class stock and the varieties contrary.

In remitting money please send bank draft, postoffice money order, express money order, registered letter or cash by express. On sums over five dollars we pay the exchange, etc.

From unknown persons we require one-fourth the amount cash with the order; balance before shipment-or a satisfactory bank refer-

ence instead.

These prices do not include boxes and packing, but our charges for the same will be found very low.

We place F. O. B. cars here or at Kesterson, Neb., and will pack

bulk orders in car lots, free.

Excellent facilities for dealers to pack on our grounds, (Corner Tenth and A Streets) and where an order amounts to \$100 or more, we furnish, free, twine, tags, labels., etc. On all orders over \$10 we allow five trees to go at ten rates; fifty at one hundred rates and four hundred at one thousand rates.

Thankful for the niany past favors we have received and hoping

for a share of your future patronage, we are,

Yours for trees,
